

# 5 ways to use LifeWorks

You might know that you have access to LifeWorks, but do you know all the ways you can use it? There's more to LifeWorks than counselling.

Here are 5 ways you can make the most of it.

## 01 Struggling with life changes?

Whether you are dealing with a workplace or relationship change, becoming a manager or a parent, helping older relatives or trying to better manage stress, we can help. Lines are open 24/7, every day. LifeWorks can also help arrange for up to six in-person counseling sessions with an EAP counselor.

## 02 Need legal advice?

Book a free consultation with one of our legal advisors for expert legal advice on subjects such as family law, real estate, criminal law and neighbor disputes – just to name a few.

The LifeWorks program is provided to you at no cost and is available to all U.S. Abbott employees and retirees, their dependents and household members.

## 03 Got financial questions?

Call LifeWorks to speak with an expert when looking at your budget, managing debt, buying or renting a home, or to access practical money management tips to help you save more and spend less.

## 05 Download the mobile app

The "LifeWorks" app provides convenient access to a wealth of well-being content such as articles, toolkits, podcasts, eBooks, and more, any time, and from wherever you are.
